BODIES APPOINTED TO INSPECT PRESSURE EQUIPMENT IN THE UK

BODIES APPOINTED TO INSPECT PRESSURE EQUIPMENT IN THE UK

The inspection bodies listed below are appointed by the competent authority of the UK to undertake certain functions in accordance with the Carriage of Dangerous Goods and Use of Transportable Pressure Equipment Regulations 2009 (as amended)

The type of pressure equipment each body may inspect is defined by their most recent Schedule of Accreditation to be recognised by the VCA. In most (but not all) cases this will be the latest revision published on the UKAS website, www.ukas.com. The status of recognition may be checked with the VCA (tanks@vca.gov.uk)
